- there is more than one but all overseas let properties are in the same country **and** all the income is remittable, **or**
- there is more than one and they are in different countries **but** there has been **no foreign tax deducted** from any of the income **and** all the income is remittable.

If any of the income is unremittable or the overseas let properties are in different countries and some foreign tax has been deducted, you must fill in a copy of page TF 4 for each property letting. (Take copies of TF 4 before you start or ask the SA Orderline for more copies of the *Trust and Estate Foreign* pages.)
